

Bill Padfield
Chief Executive Officer
Dimension Data Asia Pacific Pte Ltd

Mr. Padfield (AMP, INSEAD, France) was appointed Chief Executive Officer of Dimension Data Asia Pacific Pte Ltd (formerly known as Datacraft Asia Pte Ltd) in August 2003. Mr. Padfield joined Dimension Data as Chief Operating Officer in November 2001 and was appointed as an Executive board member in October 2002. As the CEO, Mr. Padfield manages and oversees all aspects of the Dimension Data Asia Pacific Group's operations, and drives the Group's transition into a world-class IT services company.

Mr. Padfield has 35 years of IT & telecom industry experience in Europe, North America, the Middle East and Asia Pacific. Prior to Dimension Data, he was the Senior Vice President & GM, Asia Pacific Australasia of Equant and was a member of the global executive team that successfully took Equant through its IPO on NYSE and Paris during 1998. During his stint at Equant, he was also responsible for integrating its two divisions in Asia Pacific Australasia, Integration Services and Network Services, into one entity, the merger with Global One and for restructuring the business to leverage the advantages of the merged organisations. Prior to Equant, Mr. Padfield worked with Alliant Computer Systems, and Prime Computer.

Mr. Padfield is a member of the board for Asia Cloud Computing Association. He is also a board member of the Halogen Foundation Singapore, a not-for-profit organisation that seeks to inspire and influence young leaders.
